WEBSITE

A page has been added for Doug Smith with a link to a Twitter account.

Sponsorship has been increased to $250. Our Career Opportunity page has been updated. The hyperlink will include title/federal/private, etc. and date posted. The Spring Seminar will have a registration page. If you want to revise your BOD bio or photos, please send changes to the
Webmaster. The Calendar will be changed to show the weeks from Sunday to Saturday, rather than Monday to Sunday. We should be using our GWDC ARMA email addresses, except for a few people who are still having problems. For website training, please contact the Webmaster. They will be offered on Fridays.

ARMA - Tammy Wheeler, from the Mid-Atlantic Region, has sent an invoice for our Chapter assessment. This year, it is $2 per member, rather than the $3 per member in the past years. Based on a headcount of 194 members, we will send a check for $388. ARMA International has asked for our By-laws, which are currently being tweaked.

MEMBERSHIP - We will post our committees on the web and solicit volunteers from our membership.

MISC. - A new vendor “Proof Point” will sponsor a meeting, possibly in March, April or June. Our April meeting will be at Sidley Austin, the May meeting will be at McDermott. Someone will look into holding our Seminar at the Office of the Attorney General. It is a government building with a large conference room. It would provide exposure for government participation, and is accessible from the Judiciary Square metro, 421 4th Street.

The meeting was adjourned at 12:51 P. M.

Respectfully submitted,

Secretary, GWDC ARMA
